

Dear friends,

We are happy to let you know that a Permaculture Design Course is going to take place in the South-West of Romania, between 13 to 25th of June, with Helder Valente.

Helder is one of the most experienced portuguese permacultur praticioneers. Founder of the Portuguese Permaculture Institute, with long experience in Urban Permaculture and Permaculture in small spaces, just returned to Europe after 9 months in Amazonia.

Last days to enroll to a great experience in permaculture with a already multicultural group of participants.

Sorin Rogoveanu, Florin Baci, Claudian Dobos are invited as co-facilitators.
